

Elder Abuse and Neglect in Oregon

As OREGON'S AGING POPULATION CONTINUES TO GROW, SO DOES the number of elder abuse cases. Some of our communities' most vulnerable members have been left permanently injured—or worse. Others have lost their only means of financial security. Our faculty members routinely handle claims of physical and financial elder abuse and neglect. By sharing their firsthand experience, you will gain an understanding of the myriad details involved with this type of case. From identifying and analyzing the abuse or neglect to discovery and judgments, become versed in the vital aspects of pursuing an abuse or neglect claim. Affected individuals are from all walks of life; they can even be our older generation family members, friends, and neighbors. Learn to spot elder abuse and neglect cases—and how to take action.
