2007 MARKED CRITICAL CHANGES IN intellectual property law. This information-packed seminar will focus on the four cornerstones of intellectual property—patents, copyright, trademarks, and trade secrets. Recent cases that contribute to an ever-changing landscape in patent law will be discussed, while copyright experts will highlight changes, developments, trends, and new case law. Trademarks topics include new TTAB procedures and internet keyword advertising. Trade secret law will focus on domestic and international changes, as well as enforcement of nondisclosure and noncompete agreements.

Lunch guest speaker Stan Soocher, Editor-in-Chief of *Entertainment Law & Finance* and Associate Professor of Music & Entertainment Industry Studies at the University of Colorado, Denver, will provide an engaging opportunity to learn about the confluence of IP and entertainment law.

Intellectual Property Section members receive \$20 off registration rates.

Register by using this form or calling the OSB CLE Service Desk at (503) 431-6413, or toll-free in Oregon at 1-800-452-8260, ext. 413. For a full listing of OSB CLE seminars, please visit www.osbarcle.org.
