**U**NRETURNED CALLS . . . UNANSWERED EMAIL . . . DELAYS in providing documents. Client behavior? No, rather that of another lawyer. When faced with unprofessionalism, the challenge is how to respond professionally, maintain effectiveness as an advocate, and create a relationship for better dealings in the future.

This seminar focuses on the professional standards to which lawyers should aspire. A lawyer can take a number of effective steps when faced with unprofessionalism by another lawyer. Gain strategies for dealing with unprofessional conduct, when and how to seek court intervention, and special problems that affect trial presentations. When faced with unprofessional behavior, take the lead in setting a better example.
