TAKE A JOURNEY THAT EXPLORES A VARIETY OF TOPICS FACING today's juvenile law practitioners. Start the day with a panel discussion that maps intersecting family law and juvenile law concerns. Learn how to navigate the systems for accessing records, including DHS and juvenile court. Scan the horizon for a view of the educational rights of children, including special education children who are homeless or in changing foster care situations. Gain an understanding of immigration concerns for delinquency youth and dependent children. Stay current with a legislative update and case law review, and "journal" your juvenile law trip with expert advice on how to make a record for appellate review.
